# Weyburn Exhibition

JULY 7-8-9, 1921

## General Rules and Regulations

1. The exhibition will be open to the public on Thursday, July 7, at 9 a.m., and will remain open each day from 7 a.m. till 11 p.m. up to and including Saturday, July 9th.

2. Entries at the regular fees in all departments (unless otherwise stated in special rules) close July 1st. All entries by mail must bear the postmark of the closing date (or earlier) of the Weyburn Post Office. Entries received after these dates will be charged twenty-five per cent additional fees. Positively no entries will be accepted that are not in the secretary's hands on or before Tuesday, July 5th. The management will not hold themselves responsible for providing suitable stabling for entries received after July 1st.

3. All entries must be on the printed form supplied for that purpose. The particulars called for on these Entry Forms must be fully supplied and written in clear legible writing and properly signed by the exhibitor or his duly authorized agent. Forms can be obtained from the Manager.

4. Live stock exhibitors may make any number of entries, but will not be permitted to show for prizes more than three horses, or three cattle, two sheep, or two hogs in any one section for single animals.

5. The entrance fee must in all classes be forwarded with the entry. Fees should be sent in by money order, or in bills in registered letter at the risk of the exhibitor.

6. Great care must be taken to enter each animal in its proper class and section as no alterations will be made after entries close.

7. All animals competing in sections which require more than one animal to make an exhibit, excepting teams and bacon hogs, must have been entered and previously shown in their respective sections for single animals. Whether there is an entry fee or not, entry must be made in all sections where an exhibitor desires to compete, except championship.

8. An entry ticket will be furnished the exhibitor for each entry, excepting livestock. This ticket will specify in duplicate the class, section and number of the entry one half to be torn off and retained by the exhibitor, the other half to be attached to each exhibit and so remain during the exhibition. The duplicate ticket must be produced to secure the return of the exhibit at the close of the exhibition. The entry ticket will be mailed if there is sufficient time for same to reach exhibitor; if not, they may be obtained from the office on the grounds when the exhibits are brought in.

---

ENTRIES CLOSE FRIDAY, JULY 1

9. Exhibitors must be careful that entry tickets are securely and conspicuously attached to their exhibits, otherwise the exhibits may not be considered in the awarding of the prizes.

10. In horses, cattle, sheep and swine classes the entry must in every instance be made in the name of the actual owner and unless this rule be observed no premiums will be awarded, or if awarded will be withheld. The directors may require affidavits as to ownership from any exhibitor. In all the other classes, entry must be made in the names of the producers or manufacturers and by such producers themselves, in person or their agents, who must have special authority for so doing. Those who are not manufacturers or authorized agents may exhibit, but they cannot compete for the prizes offered.

11. Any exhibitor shall, if required by the Board, make a statutory declaration that the exhibits made by him are shown in accordance with the rules and regulations of the Association; in case any exhibitor refuses to make such declaration on being requested, all premiums awarded him shall be forfeited. In classes other than live stock, no person shall be allowed to enter for competition more than one specimen in any one section of a class unless the additional article should be of a distinct variety or pattern from the first.

12. All exhibits must be on the grounds not later than 3 o'clock a.m. on Thursday, July 1th. No exhibit of any kind may be removed until the close of the exhibition.

13. Exhibitors of machinery and other heavy articles are requested to have them in the grounds and placed in position at least one day previous to the opening of the exhibition.

14. All boxes, wrappings, and other packing material must be cleared away and everything be in proper order before 9 a.m. Thursday, July 1th.

15. All animals must be submitted to veterinary examination on entering the grounds, if required. No animal having a contagious or infectious disease shall be granted admission to the Exhibition grounds, and if any animal has been admitted through an oversight, suffering from any such disease, the exhibitor must immediately remove any such animal from the grounds when ordered to do so by the management.

16. Articles not accompanied by their owners may be addressed to the Association, who will receive them on their being properly delivered on the Exhibition grounds and place them in their allotted places. Exhibitors arriving with their exhibits will apply at the general office on the grounds when they will be informed where the articles are to be placed.

17. Though the Association will endeavor to take reasonable precautions as to the safety of exhibits sent to the exhibition, the exhibitor shall assume all risk in connection with his or her exhibits and should any portion thereof be damaged, lost or stolen, the Association will give all the assistance in its power for the recovery of the same, but, the exhibitor in making entry relieves the Association of all liability for any loss or damage that may be sustained in any way.

18. Good buildings are provided on the grounds for live stock. All stalls for live exhibits will be well bedded before the arrival of stock and afterwards exhibitors will be required to keep their stalls properly bedded. Straw for this purpose will be available in the grounds at a nominal charge of 50c per bale. Hay and grain will be for sale on the grounds at the prevailing market prices. Exhibitors must secure permission before bringing loose hay or grain sheaves on the grounds.

19. The production of animals for parade or other purposes may be ordered at any time during the exhibition by the director in charge; and an exhibitor or attendant refusing or neglecting to bring such animals out as directed shall forfeit his entry fee and any premiums that may have been awarded him.

20. Judges in the several departments will report at the office on the grounds at 1 p.m., Thursday, July 7th.

21. Judging will commence on Thursday, July 7th, at 2 p.m.

22. Exhibitors of live stock must ascertain from the director in charge, at what hour judging will take place, therefore no complaint or appeal based upon the statement that the judges have overlooked exhibits will be considered.

23. In all classes where certificates of registration are required the same must be produced to the director in charge, when asked for.

24. Judges will sign and hand in their lists of awards as soon as possible, making such recommendation as circumstances or their experience may suggest.

25. In the absence of competition in any section, or, if the article or stock exhibited be of inferior quality, the judges shall award only such premiums as they think the article or stock merits. They will exercise their discretion as to whether they will award the first, second, or any premium.

26. An exhibitor lodging a protest must make it in WRITING. It must be delivered to the Secretary WITHIN TWELVE HOURS FOLLOWING THE CAUSE OF PROTEST, and a receipt must be obtained. A protest must state plainly the cause of complaint or appeal and must be accompanied by a deposit of \$1.00, which sum shall be forfeited to the Association if said protest is not sustained.

27. The decision of the judges shall be final and no protest or appeal will be entertained except in cases where actual misrepresentation or fraud is alleged.

28. In any case where a protest is entered for an improper or malicious purpose, the board of directors may exclude the party making such protest from exhibiting for one or more years thereafter.

29. No prize colors or cards may be affixed until the awards have been made.

30. No person shall be admitted in the judging ring during the time of judging except the judges and assistants, persons in charge of animals, directors of the Association and members of the Press.

---

ENTRIES CLOSE FRIDAY, JULY 1

31. Members of the Press will be allowed into the judging rings only when wearing ring badges, and are particularly requested under no circumstances to interfere or converse with the judges while they are in the ring.

32. Any person who shall attempt to interfere with or influence the judges while in the discharge of their duties, or who shall at any time, or on the premises of the Association, use any contemptuous or abusive language to any judge or within his hearing in consequence of any award made by a judge, shall forfeit his right to any premium to which he might otherwise be entitled, and may be excluded from exhibiting for one or more years thereafter.

33. Upon the discovery of fraud, deception or dishonest practice, either in the preparation, or ownership, or of any misrepresentation concerning exhibits which may have affected, or have been intended to affect the decision of the judges, the Association has power to withhold the award and may prohibit any such parties or party from exhibiting in any class for one or more years, and may also publish the names of such persons if deemed expedient.

34. Necessary attendants upon stock will be furnished with special tickets upon application to the manager. These passes, which are not transferable, will bear the names of the persons to whom they are issued, and if presented by any other person will be forfeited. Attendants' tickets will be issued as follows: Horses, one to four exhibits, 1 pass; Cattle, one for every herd of six; Sheep and Swine, up to 3 pens, 1 pass, over three pens, 1 extra pass.

35. Judges and members of the Press will be furnished with tickets and badges, the badges being intended only as a means of showing their official connection with the exhibition, and not for the purpose of securing admission to the grounds.

Where space has been awarded to an exhibitor, the Association reserves the right, in case the exhibitor shall fail to make or maintain a creditable display, to declare the space allotted to him or any portion thereof forfeited. Exhibitors must arrange their exhibits in as attractive a manner as possible to fill the space allotted to them.

40. The Association reserves the right to prescribe the dimensions and regulate the position of all signs and generally to direct the arrangement of all articles on exhibition. So far as the same may be necessary to secure harmony and an attractive appearance.

42. No person will be permitted to distribute any printed or advertising matter upon the grounds or to affix same on any fence or building.

43. No claim for injury to any person or property shall ever be asserted nor suit instituted or maintained against the Association, its officers or their agents, by or on behalf of any visitor or person, firm or corporation, or their agents, representatives, servants or employees having license or privilege to exhibit on the Fair Grounds, or occupying any space thereon.

44. If any damage, loss or injury to person or property shall be caused by reason of any neglect or wilful act of any person, firm or corporation, or their agents, representatives, servants or employees having license or privilege to exhibit on said Fair Grounds or occupying any space thereon, the Association shall be in no manner responsible therefor, and in case it be subjected to any expense or liability, all persons causing the same or liable therefor shall indemnify the said Association.

45. In all cases the right is reserved to reject entirely or accept conditionally, any entry or application; and under no circumstances will exhibits which are offensive by reason of the odor or appearance, or are dangerous by reason of their combustible or explosive character be admitted; and if any such be introduced by an exhibitor through misrepresentation or otherwise they may be removed by order of the Board.

46. Exhibitors of animals, machinery in motion and other exhibits liable to occasion accidents, injury or damage to persons coming in contact with them, shall guard their exhibits and protect the public from coming in contact therewith, and every such exhibitor shall indemnify the Association from and against all claims and demands, costs and charges and expenses which it may incur, suffer, or be put to by reason of any accident or by reason of any such exhibit not being properly guarded or the public not being protected therefrom.

47. All animals entered in pure bred classes must be recorded in the name of the exhibitor, in the Canada Live Stock Records at Ottawa. The transfer or certificate of registration must be in possession of exhibitor or agent, so that it can be produced when required.

48. If at any time the directors shall deem it necessary or expedient to make any alteration in or addition to any of the foregoing rules and regulations, or in the published conditions of any event, they may do so, and all such alterations and additions shall be adhered to and have the same effect as if originally embodied in these rules and regulations.

## OUR AIM TOWARDS SERVICE

# THE HOME BANK OF CANADA

**I**T is the aim of Service to extend particular and sympathetic attention in cases where adherence to "system" in banking would work inconsiderately, or unfairly.

**Y**OU will often hear critics say: "What we want in this country is a humanized banking system." They are right. That is precisely what we do need; and that is the very thing Service is trying to give.

**E**VERY banker is anxious to know his customers and business neighbors more intimately in order to have an opportunity to put an intension towards Service into helpful action.

**Y**OU will learn how deeply interested the Home Bank is in this subject if you will ask for our little booklet "Service in Banking" published in the beginning of the year.

# FARMERS!

## A PERSONAL MESSAGE TO YOU

At present over 40,000 (about two-thirds) of the borrowing customers and a large proportion of the depositors of this Bank are farmers. We wish to increase these numbers, because we realize, as you do, that Canada's most vital industry is agriculture.

For over half a century this Bank has been caring for the financial needs of the farming community. We aim to give good service and, if we fail in this respect we would appreciate being told in what way we can improve our methods.

Let this branch care for your financial needs, whether it be Safeguarding Your Surplus Money or Providing Funds for Your Farming Operations.

We want to co-operate with you if possible. Your progress and success mean the progress and success of the Bank.
